Night Life & City Vibes

In this week's edition of The Custom Movement's Custom sneaker of the week, we feature the custom Air Force 1 "Sketchy"($219) by Semidemonicustom , a wild blend of colors and flavors that radiates a frenetic energy.

About the Sneaker

What other sneaker can claim the perfect blend of contemporary-meets-classic that the Air Force 1 low does? The supple leather, paired with the durable, high soles, and sunshine-ready white leathers make a perfect shoe for spring and summer. Semihdemonicustom takes this ideal customizer canvas,

These colors are added by thin pink and teal lines sketched across the majority of the shoe, emulating the sketchbook style of the shoe's namesake. Similarly, the blue and pink lines of Semihdemonicustom's "Sketchy" dance around the sneaker, from the midsoles to the uppers, across the laces, and accentuating the tag and swoosh as well. Semihdemonicustom's clean, thin lines blend, connect, and meld into each other as they move up and down the Air Force's central lines.

Adding to the creativity of his design, Semihdemonicustom's colorful custom creation keeps the color scheme simple, with purples, pinks, and teals that please they eyes, comfortably complementing white custom Air Force 1 sneaker. In the pink/purple/teal color combination, Semihdemonicustom picks a vibrant color scheme that echoes the excitement of Miami Vice, the loud nightlife along the waterfront.

An excellent piece as a custom sneaker, Semihdemonicustom creates a fresh, colorful, and truly inspired design, an exquisite mixture of summer styling, warming excitement, and better days ahead.
