Desc: Customizer sneakuniq brings us an exceptional spring/summer custom sneaker creation with her Air Force 1 'Purple Faded Swoosh'.

The Perfect Air Force 1 Mid for Spring/Summer

For this week's sneaker of the week, we feature a fresh [Nike Air Force 1 Mid "Purple Faded Swoosh" \(\\$210\)](#) by [Sneakuniq](#). With its enticing choice of colors, fresh design, and exceptional quality, the "Purple Faded Swoosh" is the perfect choice for any upcoming summer adventure.

About the Sneaker

For this custom sneaker, sneakuniq chooses to base her design on the white Air Force 1 Mid, a sneaker that runs a smart balance between the low-top and high-top variants of the Air Force 1. Composed of the supple white leather that is a staple of Nike's Air Force 1 line, this Air Force 1 mid provides ankle support and comfort without being overly bulky. It is the perfect sneaker for comfort, durability, and style for the season.

Sneakuniq advances the classic Air Force 1's design by carefully adding a palette of lilac purples, cerulean blues, and a touch of pink, all with painstaking detail, and with top-notch Angelus paints.

A focal point of the sneaker, Sneakuniq's lilac-painted swoosh of both the left and right shoe immediately draws your attention. The sneaker's mudguard and heel are complemented with a surrounding of soft blue paints. Additionally, with care, Sneakuniq adds her beautiful blue paint to the small swoosh that adorns the mid's straps, as well as pinks and purples to the sole, carefully complementing the "AIR" in both purple and pinks.

There is something special: refreshing, natural, and rejuvenating about the "Purple Faded Swoosh". With an amazingly clean design, careful work, and satisfying choice of colors that captures the spring/summer seasons, these Air Force 1 Mids are a unique and wonderful

custom sneaker combination, perfect for our ever-growing shelves at The Custom Movement.
