Play Among the Stars With This Celestial Shoe

For many stargazers, summer’s warmth means a comfortable return to nights spent while gazing up towards the stars. But what happens when you are stuck inside?

With this week’s Air Force 1 Custom of the Week, artist [Dami_Art](#) brings The Custom Movement the [AF1 Aquamarine Galaxy \(\\$195\)](#) a custom shoe that brings the night sky back to you, wherever you are.

About the Sneaker

Starting with the iconic white Air Force 1s, [Dami_Art](#) uses a choice sneaker for her starry-eyed palette. This classic pair of Air Force 1s provides a sturdy, clean canvas perfect for spring and summer months.

Brush in-hand, Dami_Art adds her otherworldly creative spark to the Air Force 1's full-grain leather. Painting from the heel tab, classic swoosh to laces area, but leaving the other parts untouched, the painted galaxy areas truly pop on the premium leathers.

Upon closer inspection, these are exquisitely-detailed sneakers. In a mixture of night sky and aquamarine blues, Dami_art's premium Angelus paints truly paint a midnight story. Complementing the design with the twinkling of the night sky, Dami_Art paints the joy of staring towards the heavens.

Imaginations of other worlds and space adventures are perfectly captured in this pair of custom Air Force 1s. Simply, the end result is a stunning shoe, a spectacular piece of wearable art, and perfect fit into the ever-expanding catalogue at The Custom Movement.
